

Large Hadron Collider 2008

ATLAS Supplier Awards

Given to distinguished ATLAS suppliers in recognition of their excellent technical and managerial capabilities.

The first ATLAS Supplier Award was given in March, 2001 and the final one today, October 20, 2008 (to JINR Workshops)

LHC 2008

Large Hadron Collider 2008

Awarded ATLAS Suppliers (in order of appearance)

**Kralodvorske Zelezarny
Valcovna Za Studena
s.r.o.**

Supply of laminate steel
sheets as absorber for
the ATLAS Tile Hadron
Calorimeter

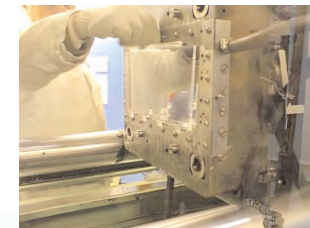

Lamina Dielectrics Ltd

Thin-walled polyimide
tubes for the ATLAS
Transition Radiation
Tracker

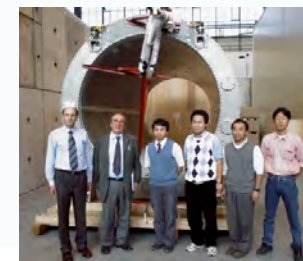

Luch Podol'sk

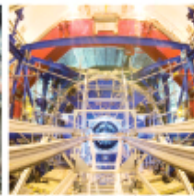

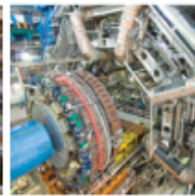

Scintillation tiles for the
ATLAS Tile Hadronic
Calorimeter

Toshiba Corporation

Supply of the
Superconducting
Solenoid for the ATLAS
Detector

LHC 2008

Large Hadron Collider 2008

**Kawasaki Heavy
Industry Ltd.**

Barrel Cryostat for the
ATLAS Liquid Argon
Calorimeter

Schelde Exotech

Manufacture of the two
vacuum vessels for the
ATLAS End Cap Toroids

Cicorel SA

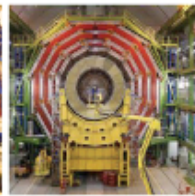

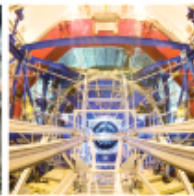

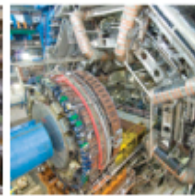

Readout electrodes for the
ATLAS
electromagnetic
calorimeter

Isola Composites AG

Non-isotropic composite
bars for the ATLAS
electromagnetic
calorimeter

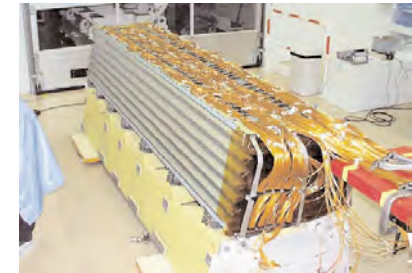

LHC 2008

Large Hadron Collider 2008

Axon-Cable SA

Supply of cables for
ATLAS Liquid Argon
(LAr) Calorimeter
feedthroughs and
modules

Allcomp Inc

ATLAS Pixel Global
Support Frame

Molniya

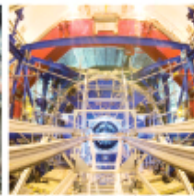

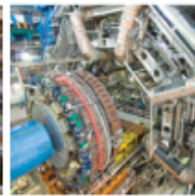

Supply of 29 Hadronic
End-Cap Modules to the
ATLAS Liquid Argon
Calorimeters

ORPE Technologiya, RSP Khrunitchev

Supply of the ATLAS
Inner Detector barrel
support structure
elements

Large Hadron Collider 2008

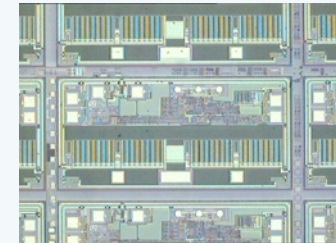

Skoda Hute

Supply of the ATLAS
Forward Shielding
Elements

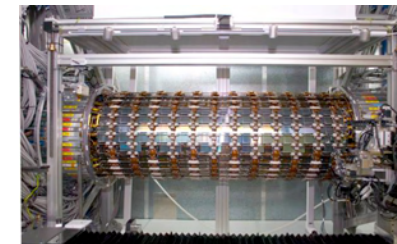

ST Microelectronics

Development and
production of radiation-
hard voltage regulators

Hamamatsu Photonics

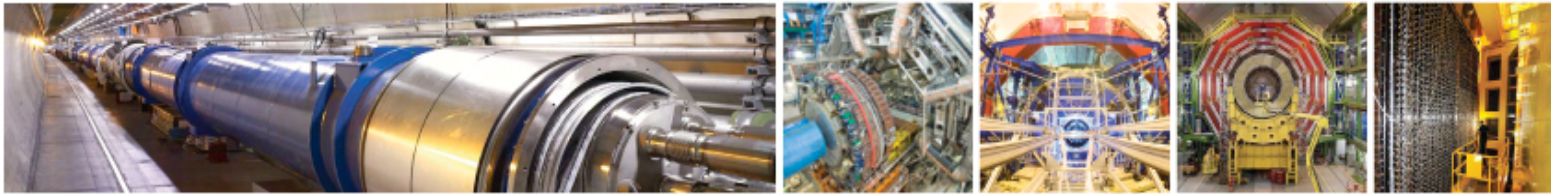

Supply of Silicon
Microstrip Sensors for
the ATLAS
SemiConductor Tracker

MZOR Minsk

Precise Machining of Al
alloy Connection Boxes
and Voussoirs for the
Barrel Toroid

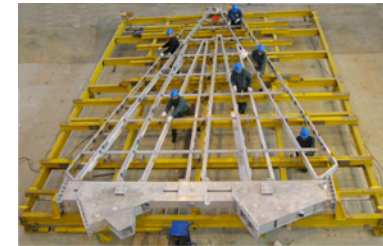

Large Hadron Collider 2008

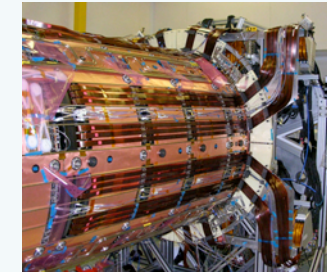

HMC-3

Supply of various ATLAS support elements and assembly tools

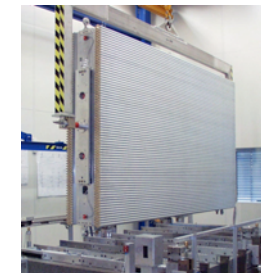

ELGO-line

Supply of Low Mass Tapes for the ATLAS Semiconductor Tracker

Menziken

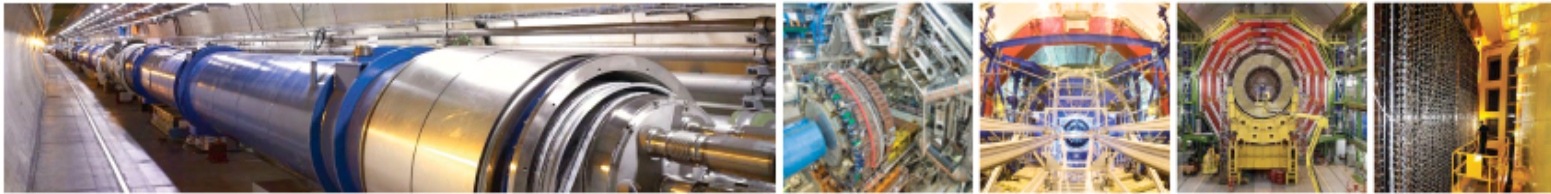

Production of aluminium tubes for the Monitored Drift Tube Chambers (MDT)

Perm Mashinostroitel

Supply of the ATLAS Transition Radiation Tracker End-Cap Wheel Support Rings

Large Hadron Collider 2008

Fibernet LTD

Supply of optical fibers,
patch panels and splitter
technology to ATLAS

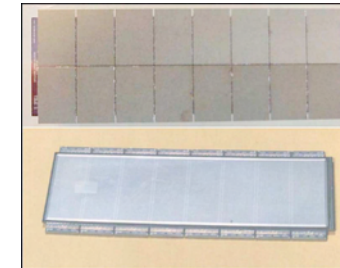

SB Verksted AS

Supply of four cryogenic
liquid storage tanks to
the ATLAS Liquid Argon
Calorimeters

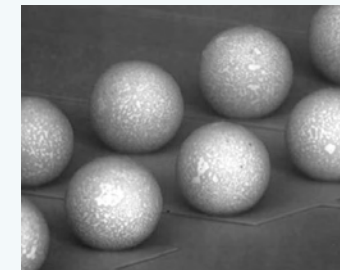

SELEX

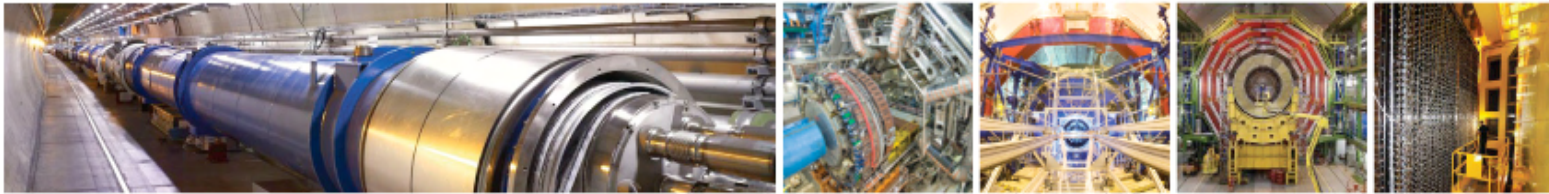

Supply of Modules for
the ATLAS Pixel
Detector

IZM

Supply of Modules for
the ATLAS Pixel
Detector

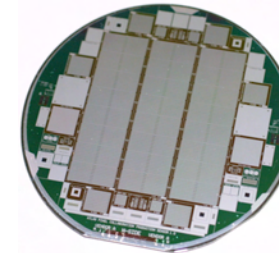

Large Hadron Collider 2008

**CIS Institut für
Mikrosensorik GmbH,
ON Semiconductor
(Roznov foundry)**

Supplier of Silicon
Sensors for the ATLAS
Pixel Detector

Maresco Technologies

Production of the Inner
Ring of the TGC Wheels

Tal Technologies

Production of the Outer
Ring of the TGC Wheels
